

## Middle School Supply List

On the back side of this page is a list of school supplies that will be needed by the students. In reading this list, please realize that there are redundancies that can be covered by a single purchase. For example, while a seventh grader may need a separate 1” 3-ring binder for each class, a single package of colored pencils will cover the needs for history, foreign language and science. Backpacks, loose leaf paper, pens and pencils are not included in the list as all students need these supplies. We also recommend that students avoid the large trapper keeper-style binders in favor of the separate binders or portfolios suggested.

All students will receive a planner on the first day of school. They will also be assigned a locker. A few points to remember about locker use:

- Lockers are not locked; we trust each other and respect each other’s space.
- Backpacks are not carried around school – everything must be stored in the locker or on available shelves.
- School is not an appropriate place for electronic devices; please leave the cell phones, ipods and games at home.

If you have any questions, please feel free to contact me at school. I look forward to seeing everyone back at school in September.

Sincerely,
