## Early Childhood Health Assessment Record

To Parent or Guardian:

In order to provide the best experience, early childhood providers must understand your child's health needs. This form requests information from you (Part I) which will also be helpful to the health care provider when he or she completes the health evaluation (Part II). State law requires complete primary immunization and a health assessment by a legally qualified practitioner of medicine, an advanced practice registered nurse, a physician assistant or the school medical advisor prior to entering an early childhood program in Connecticut.
