## **Financing The Country School Education**

In choosing The Country School for your child, you have expressed an understanding of the value of a quality independent school education. We realize that rising tuition costs may present a formidable challenge to many families.

In order to assist you in the management of these costs, we are pleased to provide several plans which allow convenient payment options.

Please contact Christine Aulicino, Director of Admission, or Janet Tancreti, Business Manager for further information.

Details of the **Options** available are provided in the enclosed brochures.
