

Partners (AIEP) is pleased to announce an exciting opportunity for school students as well as 2 or more teachers to participate in a 21-day summer program in China this summer, tentatively set to be located in Chengdu, China, the Giant Panda Bear Capital. Students and teachers will be part of this multi-cultural exchange

by participating in a Chinese summer camp program. Participants will interact with Chinese students, enjoy cultural exchange, Asian food, stay individually with a Chinese student's family in a homestay, as well as see local Chengdu attractions including the Panda bears!

STUDENT RESPONSIBILITIES: Students will participate in all summer program activities and seek to build relationships with the local campers.

TEACHER RESPONSIBILITIES: Teachers are sought to chaperone the students as well as participate in teaching classes during the camp program (ESL, STEAM, American Table Etiquette, Music, Leadership, Public Speaking, etc.).

All participants will be required to obtain their own passports, travel visas and travel insurance (approx.. \$20 for insurance) with guidance from AIEP. To apply, use this link:
